DRINKS

A few friendly notes:

We are no longer accepting cash.

Dogs are welcome, but keep in mind that not everyone is comfortable with dogs and if they are showing any aggression or are restless your fur baby needs to please move on to their next adventure for the day. No more than two dogs per table, and it goes without saying but thought we'd mention it anyway that of course you'll keep them off the furniture.

If you're here mostly for wi-fi and you're at a bigger table we will need to ask you to move if there are customers wanting to sit down for a meal or drink.

Thank you for understanding.
