

CLARKE'S

bar & dining room

A few friendly notes:

We are no longer accepting cash.

Dogs are welcome, but keep in mind that not everyone is comfortable with dogs and if they are showing any aggression or are restless your fur baby needs to please move on to their next adventure for the day. No more than two dogs per table, and it goes without saying but thought we'd mention it anyway that of course you'll keep them off the furniture.

If you're here mostly for wi-fi and you're at a bigger table we will need to ask you to move if there are customers wanting to sit down for a meal or drink.

Thank you for understanding.

A NOTE ABOUT THE FOOD AT CLARKE'S

Everything we make at Clarke's, except the ketchup, is made fresh by us and with the best ingredients that we can find. We put a lot of love into our food and into what we do here and it's a great thing to be able to share it with you.

Our Buns, Croissants, White Bread & Flourless Nut & Seed Loaf are baked by us.

Our Sourdough & 100% Rye are from Woodstock Bakery.

Avocado is only available if they're ripe.

The pea shoots & limes are sometimes not available.

We're a small, busy kitchen & changes or substitutions are unfortunately not possible. Thanks for hanging out!
